Comment No. 1

1. Attached is copy of memorandum of agreement in support of the NIC.
2. The administrative support provided the NIC consists of approximately ten annual TDY trips estimated to cost between \$3,000 and \$6,000 per annum, and normal office supplies such as paper, pencils, etc., estimated to cost \$1,000 per year. In addition, there may be certain non-recurrent equipment procurements such as switchboard equipment procured during FY 1980 at an estimated cost of \$7,000.
3. AFCIN-R has been and continues to be the contact point for administrative support matters concerning NIC. Budgeting and funding are supported by the Secretary of the Air Staff in their overall budget under P481 against departmental funds. To the best of our knowledge, based upon considerable research in this area, no expenses for NIC are chargeable to AFCIN funds.
